*"Your promotion of the growth and development of singing talent in San Diego County is remarkable and admirable. You have proven yourself a committed partner to our community and in the education of our youth-tomorrow's future."*

*Dr. Doris Alvarez  
Principal, Hoover High School*

*"I have studied all over Europe and Japan as well as the U.S. ... I lived in Florence, Italy. ... had two of the best teachers...affiliated with high level conservatories and opera houses...But I think how much better I would be had I spent that year working with Mr. Lazaridi instead."*

*April Fisher, San Diego Opera*

*"I have been singing...for over 19 years, have performed and trained in 9 countries... Many of my instructors are internationally acclaimed; I am certain Mr. Lazaridi will be the next phenomenon to impact the music world. He has a very special and unique understanding of the human voice and ability to relate that to students, which transcends any other coach I have known."*
